**DESAI NAMED CHIEF INFORMATION AND TECHNOLOGY OFFICER FOR TEAM CAPITAL BANK**

**Lehigh Valley, PA July 21, 2009** – Team Capital Bank announced that Ghan M. Desai has joined the organization as Executive Vice President and Chief Information and Technology Officer. In this role Desai will oversee the technology and operations division to deliver enterprise wide solutions and services for Team Capital Bank.

Most recently Desai was Vice President for Technology Infrastructure Services for PNC Financial Services. Prior to that, he was Chief Technology Officer for Sterling Financial Services in Lancaster, PA, a \$3.2 billion asset bank, which was acquired by PNC. Desai has held senior management roles in Information Technology at several telecommunications companies as well as in the insurance industry.

“Ghan has tremendous experience in technology and banking and will be a valuable asset to Team Capital Bank,” said James P. Deutsch, President & CEO of the Bank. “We will look to Ghan and his team to advance our delivery systems and to help generate fresh ideas as we continuously improve our customer’s banking experiences,” he added.

Desai holds a BS in Mathematics from Penn State University, a Master of Science in Computer Science from Shippensburg University and an MBA from York College.
