**TEAM CAPITAL BANK OPENS SECOND OFFICE IN FLEMINGTON, NJ
Ribbon Cutting Ceremony to be held February 25, 2010**

Flemington, NJ, February 17, 2010 – Team Capital Bank is now serving customers at its newly opened community banking office in Flemington, NJ. The new office is located on Route 31 and Church Street. A ribbon cutting ceremony is planned for February 25, 2010 at 11:30 AM, when government and bank officials as well as local business owners will gather at the new office for a brief ceremony.

Team Capital Bank offers a full complement of personal and business banking services – checking, savings and money market accounts, CDs, IRAs and business and personal loans, plus mortgage banking and commercial lending services. The Route 31 location, the Bank’s second in Flemington, offers drive-thru service, a 24-hour ATM and convenient parking. It is open Monday through Friday from 8 A.M. to 6 P.M. and Saturdays from 9 A.M. to 1 P.M.

The Team Capital Bank community banking office at 110 Main Street, Flemington, will remain open. The hours for that location are Monday through Friday from 8 A.M. to 6 P.M.

“We are delighted to expand our style of relationship banking within Hunterdon County,” said Sharon M. Michael, Team Capital Bank President for Hunterdon County, the Bank’s first region. “From the time we opened our first bank on Main Street in Flemington in November 2005, we’ve seen our business grow consistently, evidence that relationship banking delivered with outrageous customer service resonates with our customers,” she added, “Debbie Gutschmidt, Regional Manager for both the Main Street and Church Street offices, and her team of professional bankers look forward to serving the needs of banking customers in Flemington and the surrounding communities.” While several members of the Bank’s Main Street team will move to the Church Street banking office, the Bank has hired several new employees as well.

This new Team Capital Bank community office, like the Bank's other locations, shifts away from the traditional approach to bank branches. Customers immediately notice the comfortable chairs, fresh-baked cookies and aroma of gourmet coffee. Personal Banking Officers are on hand in private office spaces to assist with banking transactions. Because Team Capital Bank hires personnel with significant industry experience, Personal Banking Officers are empowered to assist customers with nearly every banking need.

The Bank is seeking certification of its new Flemington branch from The Leadership in Energy and Environmental Design (LEED) Green Building Rating System, developed by the U.S. Green Building Council. LEED certified buildings use resources more efficiently when compared to conventional facilities which are simply built to applicable building codes. To be eligible for the certification, Team Capital Bank was required to meet criteria in the following categories: sustainable sites, water efficiency, energy and atmosphere, materials and resources, indoor environmental quality and innovation in design process.

With community banking offices located throughout Eastern Pennsylvania and New Jersey, Team Capital Bank integrates its office locations into established neighborhoods, using award-winning architectural design that reflects the character of the particular location. Architectural services for the Flemington bank were provided by Cerminara Architect of Hillsborough, NJ. Construction services were provided by Iron Hill Construction Management.
